

**Coming: October 2, 2020**

Albuquerque Public Library Foundation

Literary Fundraiser via Zoom

Helen Macdonald reads from her new book, *Vesper Flights*.

Macdonald's previous book was her best-selling memoir (and much more), *H is for Hawk*.

In the introduction to *Vesper Flights*, Macdonald comments, "Someone once told me that every writer has a subject that underlies everything they write... I choose to think that my subject is love, and most specifically love for the glittering world of nonhuman life around us."

With each ticket, receive a book and a donation to the foundation.

Buy your ticket at [Bookworks](#).
