

3 September 2020

**Dear Friend:**

As the signs along I-40 remind us, thanks to New Mexicans, our battle against the coronavirus is going well. The Friends' board chose the partial reopening of inside dining as our marker for reopening book sale operations, also with limited occupancy. It's been a week since the Governor's announcement, but we wanted to wait to reopen until after Labor Day, when Library hours will be expanding. As before, wear a mask and observe social distancing.
