

Good News! Friends' Coordinator Melissa Carlisle has been selected by the New Mexico Library Association to receive the **New Mexico Library Amigo Award for 2020**. Melissa was selected because her work on behalf of the Public Library Albuquerque Bernalillo County has resulted in significant progress for our library. For nearly 20 years, Melissa has coordinated volunteers and all book sales operations. Her efforts have been critical to the effective support the Friends provide to the Summer Reading Program, AMP Concerts, volunteer recognition, and staff development among other initiatives. Congratulations, Melissa! Well done!
